Wilbur's Sour

whistle pig 10 yr | whistle pig maple syrup
lemon | egg white | nutmeg

Aged for 10 years in bourbon barrels, 100-proof and hand-bottled in Vermont, this full-estate rye whiskey has dominated the market since the summer of 2010. Here, we've paired it in a classic egg-white sour template with maple syrup from the same Vermont property. It is best enjoyed quickly and with gusto.
